

# 2022 Season

---

## History and Mission

The league was established in 1958 as an organization formed to provide a program for the youth of the Pleasant Hill area in cooperation with the Pleasant Hill Recreation and Park District, the Mt. Diablo Unified School District and Diablo Valley College. The Recreation District provides the playing fields. Financing is secured through the generous sponsorship of teams by families and business firms as well as registration fees for each athlete. Our mission is to give local kids the opportunity to learn and grow in a positive baseball and softball learning environment. We look forward to our continued partnership in Pleasant Hill.
